

## 2024 Year 10 Curriculum & Other Contributions

Dear Parents and Guardians,

Diamond Valley College is looking forward to welcoming you and your child/ren back to our school community in 2024 and look forward to another great year of teaching and learning. We would like to advise you of Diamond Valley College's voluntary financial contributions for 2024.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time on committees or School Council. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to offer a range of opportunities for our students including a wider selection of subjects and special curriculum experiences; enhanced digital learning opportunities; extend the upgrade of our grounds and outdoor areas; implement an intensive wellbeing program, and provide access to faster WIFI and internet.
